Profile

Results-driven college student with a passion for Computer Science. With a strong foundation and a track record of many academic achievements or involvement. Committed to delivering exceptional work and driving positive goals. Known for my enthusiasm, such as strong communication skills, analytical mindset, and problem-solving abilities. Seeking opportunities to apply my knowledge, gain practical experience, and make a meaningful impact in the industry. Eager to contribute to a dynamic team and further develop valuable skills for my future career.

Experience

My journey has been a dynamic exploration of knowledge, skills, and personal growth, encompassing a diverse range of experiences, projects, and certifications. This column is a testament to my commitment to continuous learning and development.

Extracurricular Adventures:

- **DevOps Webinar:** I engaged in a transformative DevOps webinar, staying at the forefront of software development practices and fostering an appetite for innovation.
- **Microsoft KIIT Hackathon:** My participation in the Microsoft KIIT Chapter hackathon showcased my collaborative spirit and ability to tackle challenges creatively.
- **Squid-Games Webinar:** My curiosity led me to attend a webinar on Squid-Games, reflecting my openness to exploring varied subjects beyond the conventional.
- **Sports Excellence:** As a District Volleyball player and Inter-School Swimming Champion, I embraced discipline, teamwork, and determination, shaping my character on and off the field.
- **E-Labs Engagement:** Active participation in KIIT's E-Labs sessions underscored my dedication to hands-on learning and practical application of theoretical concepts.

Projects:

- **Python-Powered Squid Games:** Through a Python-based project inspired by Squid Games, I combined creativity with technical skills, showcasing my ability to transform cultural phenomena into digital experiences.

## Projects

- Squid Games with Python

EXTRA-CURRICULAR ACTIVITIES

- Attended webinar on Devops.
- Participation in hackathon organised by Microsoft KIIT Chapter.
- Attended webinar on Squid-Games.
- District Volleyball player.
- Inter-School Swimming Champion.
- Attended E-Labs sessions by KIIT.
